

# LENTON® FORM SAVER Freight Policy

These illustrations represent the most commonly used LENTON® FORM SAVER assemblies. This is not a complete offering of LENTON FORM SAVER types.

Female LENTON FORM SAVER couplers have a non-structural nailer plate/form mounting plate and internal-thread protective cap attached to the end of the LENTON coupler.

## Minimum Free-Freight Allowance

United States (Contiguous 48 States)

Effective December 2012

LENTON® Products, excluding LENTON® FORM SAVERS	Always shipped PPA (Prepaid and Add) or Collect
LENTON® FORM SAVERS	\$10,000*

\* Indicates value of order "release." Free freight will not exceed 10% of the order "release" value.

### Free freight allowed on LENTON FORM SAVER meeting the following conditions:

- LENTON FORM SAVER female assembly including reinforcing steel attached to a LENTON coupler
- #7 (22 mm) and smaller
- an overall length of **10 feet or less**
- **total (per release) dollar value exceeds \$10,000\*\***
- free freight will not exceed 10% of the order "release" value

All products must be on one purchase order. Combined orders that include LENTON products will be charged freight based upon the terms for LENTON products. Combined orders may be placed either with a manufacturers' representative that carries the desired product lines or directly with ERICO.

Freight is allowed per the above terms to anywhere within the continental U.S. (Buyer is responsible for any loss and freight incurred after loading at inland point of departure). ERICO will ship by truck, Parcel Post or Federal Express, whichever is least expensive for a given shipment. If Buyer requires special transportation methods or multiple shipments, all orders will be shipped prepaid and add or collect, regardless of order value. ERICO does not assume responsibility for combining orders on shipments to reduce or eliminate freight charges. Orders for less than standard box (package) quantities will be increased to standard quantities from ERICO Distribution Centers without further notification.

\*\* The free freight policy for LENTON assembly releases that are in excess of \$10,000 applies ONLY to LENTON Assemblies which consist of threaded rebar plus attached LENTON couplers. **The ERICO free freight policy for LENTON does NOT apply to shipments of LENTON couplers that are purchased without shorter lengths of threaded rebar attached to them.** LENTON coupler ONLY shipments are F.O.B. ERICO Facility.

All purchases are subject to ERICO Terms and Conditions of Sale available at [www.erico.com](http://www.erico.com).
